Top qualities: Personable , On Time

Mihai Murgulescu, Manager in medical devices industry, with international experience

Technical and Manufacturing manager

Dear Kovacs,,
I've written this recommendation of your work to share with other LinkedIn users.

Details of the Recommendation: "I know Zoltan Kovacs from the time he worked for Hans Pausch Hungaria. During this time I was one of his international colleagues and customers as R&D director at Hans Pausch Erlangen. Zoltan has a deep understanding of the quality requirements, quality management and manufacturing processes in the medical technology. His profesional working style, multicultural experience and very good command of foreign languages (especially German) made him to an appreciated and pleasant colleague and business partner. It was allways a pleasure to work with him in solving different tasks."

Istvan Fekete, Plant Manager, Managing Director, Capro managed Kovacs, at Capro

“Zoltan has strong engineering background with systematic approach. In complex situations he needed clear prioritization to accomplish on-time. In case of clear requirements Zoltan delivered the expected results. His last years' assignments with more diverse work content - including client management - could close the above mentioned gap of complexity management.”
